AARCO Glass Rite Wall®

"Glass Rite Wall" features 1/4" thick tempered low iron glass with magnetic properties enabling the use of Rare Earth magnetic accessories and Rare Earth magnets for holding papers.

The panels are available in two popular standard sizes, 60"h x 48"w and 84"h x 48"w sheets. When mounted side by side, these sheets create a full marker wall. These convenient sizes permit mounting the panels without interfering with wall electronics, etc. If exact width and/or height are required, we can assist with designing custom sizes to span floor to ceiling and end to end.

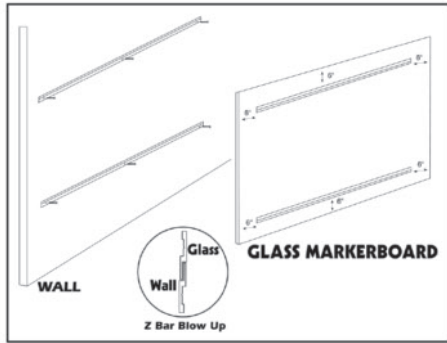

The EZ mount "Z" bar mounting makes it easy to mount "Glass Rite Wall" to any wall. If you desire to cover from floor to ceiling, we can provide other methods to mount the panels.
